WHEN HARRY MET SALLY + PASTRAMI ON RYE FROM SHAPIRO'S DELI

We all know *that* scene from When Harry Met Sally. I'm not saying you'll have the same experience, but why not give it a try by ordering a Pastrami on Rye from Shapiro's Delicatessen?

13 GOING ON 30 + CANDY FROM THE FAMOUS TOMATO

We know that Jenna & Matty have "Razzle-Red" tongues when they share their favorite candy. Find a favorite candy to enjoy from the offerings at The Famous Tomato, while watching this classic!

YOU'VE GOT MAIL + COFFEE FROM TINKER COFFEE CO.

Who doesn't love a good book along with a good cup of coffee? Kathleen & Joe certainly do! Try the honey vanilla latte at Tinker Coffee Co. - you won't regret it.

LOVE ACTUALLY + AMELIA'S

Natalie appreciates the new Prime Minister's love of chocolate-covered biscuits. You'll appreciate Amelia's cookies, bread, and other treats. Any would be great options to pair with this holiday classic!

HEY, I'M JESSA

Your go-to real estate girl in Indianapolis.

It can be hard to get to know your own city when your favorite nights are the cozy ones at home. As a certified introvert, I completely understand! There are plenty of Indianapolis guides out there—but many feel more like a to-do list than an invitation to slow down and enjoy. So, I created the opposite: a short and simple guide to savoring what Indy has to offer, one cozy night (and snack) at a time. Enjoy! And wherever you find yourself getting cozy—whether it's your current place or one you've been dreaming about—I'm always here to help you feel right at home in Indy.

AND SAY HI!

My ideal weekend includes snuggles with my dog, Nellie, playing games on my Nintendo Switch, and catching up on YouTube travel vlogs with my husband.

A hill I'll die on: social media is meant to be SOCIAL, not salesy, so I share a lot of behind the scenes on IG [@jessatrealty](#).

I'm in love with Indianapolis and all things home and local.

If you see me around town, please say hey!
